President's Message

Greetings Ladies,

Wow, what an incredible summer we had in our Club! We started out in June with one of our very own members, Michelle Leonhart, compellingly speaking on the Drug Epidemic in our country, followed by our 50th Anniversary Celebration in July. It was so much fun to see all the past presidents and honor them, as well as the new faces that have joined along the way. A special visit from our Senator Pat Bates was another highlight of the celebration. The photo booth was a hit and many great pictures were taken. We wrapped up our summer with a Candidates Forum featuring Mimi Walters and Tara Campbell, the youngest elected representative in Orange County, as well as our President of CFRW, Nam Yong Horn. Each event offered great opportunities for connecting and getting educated.

Now it's time to get serious and put on our running shoes to help elect our Republican candidates. We cannot sit idle: Orange County is under attack and the Democrats are working hard to flip it blue. Every election is important, and we can be part of keeping Orange County RED. There are many opportunities to help, from walking precincts, making phone calls, talking to our friends, and hosting events in our homes to educate voters. Let's not forget donating to our candidates. We are the largest volunteer organization in the nation, and our time matters. Make it count! We have a new Laguna Niguel campaign headquarters opened and it's easier than ever to help.

I want to encourage everyone to get involved. The Federation is one of the best places to learn and be trained in the political process, as well as our legislative process. We are taking nominations for Executive Board positions now, as well as committees for the upcoming year. Please step up and say "yes" when asked. You don't have to be qualified -- we can train you. Our Club provides a "safe space" for learning. Let's continue to work and play together as we strengthen our party and our communities with Republican principles.

Sincerely,

Sandy Rains

Membership Report

Nancy Meade Cotton
VP Membership
949.800.9153

Dear Members,

I hope your summer has been wonderful. Our total membership is now 119 dedicated Republican women. Only 81 to go to our goal of 200! I believe we can achieve this and with your help we are on our way!

Fall will be very busy with the upcoming mid-term elections. This may be one of the most important elections of our lifetimes. Don't think that California is hopeless for Republicans. Dr. Barbara Stone, emeritus professor of political science at Cal State Fullerton is optimistic that the tide is turning in California. Now more than ever, our time and efforts are not only needed but necessary. There are many volunteer opportunities – even an hour a week will help. So, grab a friend and sign up to help Make California the Golden State we all once loved. A good start would be electing a Republican governor and we have a very good chance. Be sure to show up to vote and encourage others to vote. Help to give California the Christmas gift of rational governance.

Reminder Volunteers Needed:

The upcoming dates for the Mission Viejo Voter Registration events are September 22, 2018 and October 20, 2018. Any interested members call or email Nancy Meade Cotton. There is also an event signup on Signup Genius.

2018 NFRW Election Spotlight

August 30, 2018

*For the 2018 midterm elections, the NFRW's goal is to **DEFY HISTORY** by holding on to our Republican majorities in the House and the Senate (historically, the President's party almost always loses seats in the midterm election).*

WE NEED YOU TO HELP!

Between now and election day, the NFRW will be profiling Republican candidates in the top Senate races, as well as key Republican women in or running for the House. These races are key to maintaining Republican control of the House and Senate.

CFRW Ballot Measure Positions

It's that time of year again! Election time! This November, we will be voting on 11 statewide ballot measures. The California Federation of Republican Women take official positions on each of the ballot measures, aiming to arm our members with the information and tools to educate voters across the state leading up to the election. In the coming weeks we will provide in-depth analysis and rationale on each of the 11 propositions, along with talking points, a "one-sheet", and pros/cons so that our members can efficiently and effectively educate Californians of their November ballot.

The CFRW reaches our official ballot measure positions through a consensus of our CFRW Voting Body. The Voting Body is made up of the State President, the three State Vice Presidents, and the three Division President's. Those seven women carefully consider research, analysis, and recommendations made to them by the CFRW Advocate and the Ballot Measures Analyst. After a consensus is made on each measure, so is our official position.

Today, we will only be listing the 11 propositions and our CFRW positions. In weeks leading up to the election there will be more information made available to our members about the propositions and our positions as well.
