LNRWF IS THRILLED TO ANNOUNCE OUR KEYNOTE SPEAKER CARL DEMAIIO

CHAIRMAN, REFORM CALIFORNIA - SENIOR FELLOW, THE PERFORMANCE INSTITUTE HOST, THE CARL DEMAIIO SHOW, AM-600 KOGO.

WEDNESDAY, JANUARY 27, 2021 VIA ZOOM

Carl DeMaio knows how to reform government - and he has built an entire business and a political career on making broken government programs work again for the people. At the age of 23, Carl DeMaio started his first company -- the Performance Institute -- to provide training and consulting solutions to help financially-troubled government entities cut costs while improving performance. DeMaio turned his business success into a life-long crusade to improve the performance, transparency, efficiency and accountability of government at all levels. DeMaio won a seat on the San Diego City Council in 2008 -- and helped turn that city around from the brink of bankruptcy through his "Roadmap to Recovery" reform agenda. DeMaio is now tackling state-wide fiscal reform policy in his new role as Chairman of Reform California. DeMaio is also continuing to speak out on local issues, as co-host of his daily news and talk show in KOGO-AM 600.

Turning Around San Diego - Author of the Pension Reform Initiative DeMaio's work began in a "watchdog" role, as he helped uncover the fiscal crisis in the City of San Diego. After years of financial crisis, draconian service cuts, crumbling roads and infrastructure, and little action by city leaders on a host of pressing problems, DeMaio stepped forward with a comprehensive "Reform Agenda" to fix the problems.

Overcoming Childhood Adversity to Achieve Success in Business Carl DeMaio is no stranger to adversity. Carl's mother passed away two weeks after his father abandoned the family. In 2003, DeMaio founded the American Strategic Management Institute (ASMI), which provides training and education in corporate financial and performance management. In late 2007, DeMaio sold both of his companies - though he continues to serve as a "Senior Fellow" advising on policy issues.

THE PRESIDENT'S MESSAGE

Dear Members and Friends,

Happy New Year! It's an honor to be your 2021 President.

I want to thank our 2020 President Candice Burroughs for all of her hard work and efforts while leading our club during the Pandemic. On both a professional and personal level, I am grateful for her contributions to our club.

One of our goals for this year is to bring back the Scholarship program. We need to support our young Republicans; they are the future of our party. In addition, we also will start fundraising again. It was almost impossible to fundraise during 2020, however we can all come together with our ideas and hard work and be successful this year.

We have an excellent leadership team in our club and they will be sharing their ideas on how we all can make a difference. If you have friends, neighbors or relatives who are interested in joining our club please let us know. You can also invite them to our meetings or get them involved with volunteering. If you are interested in volunteering you may consider the benefits of giving your time and effort to not only our club but the Republican party as well. Volunteering is a good way to meet new friends and strengthen connections with like-minded people. We have current openings on the membership, fundraising and campaign activities committees, please email or call me if you are interested.

I am looking forward to working with all of you!

Judy Joseph
LNRWF President

Dear Members and Friends,

I am honored to serve you as your 1st Vice President in charge of Programs and monthly speakers. Thank you for your vote of confidence.

I am happy to announce our first speaker of the year, Carl DeMaio. I met Carl back when he was just starting to get into politics through my good friend Diane Harkey who invited me to an event which she hosted for him. I was impressed with Carl from the moment he spoke. Since then, Carl has been nonstop in his career. He served on the San Diego City Council from 2008-2012. He worked on issues from the Gas Tax, Chair Reform California, presently to Recall Newsom. Carl also hosts The DeMaio Report on iHeart Radio and KOGO (AM-600). You will enjoy him.

Wondering how our great OC weathered our past election? Stay tuned to our next month's speaker Neal Kelley, Registrar of Voters for Orange County, California. Neal heads the fifth largest voting jurisdiction in the United States. Looking forward to a new year full of information that will help us keep our freedom and support our conservative values.

Respectfully,
Maria Elena Banks

THANK YOU PRESIDENT TRUMP

Encouraging words and prayers from your Chaplain, Bonnie Merriam

Isaiah 41:10. Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.

Proverbs 3:5-6 Trust in the Lord with all your heart and lean not on your own understanding; in all your ways, submit to Him and He will make your paths straight.

It is my continued prayer that we will keep praying for our leaders and that America once again will be known as a Christian Nation. Don't give up, God is bigger than the evil that is in the world and He still reigns!

May God bless you and keep you.

MICHELLE STEEL SWORN IN TO U.S. CONGRESS REPRESENTING CALIFORNIA'S 48TH DISTRICT

Washington, D.C. – Rep. Michelle Steel (CA-48) released the following statement today after being sworn in as a Member of the U.S. House of Representatives, representing California’s 48th District “This is my American dream and I am honored and humbled to serve my community as one of the first Korean-American women ever elected to Congress. Taking the oath of office to represent the nation that has blessed me with so many opportunities is a moment I will never forget. This is a responsibility that I will never take for granted, especially as so many families and businesses continue to fight back against the COVID-19 pandemic. As the Chairwoman of the Orange County Board of Supervisors, I was committed to supporting business owners and workers, fighting against high and unfair taxes, supporting our seniors, and making sure our veterans receive the care they so rightly deserve. As your Representative in Congress, this mission to serve our entire district will continue, and I am ready to get to work.

“About Rep. Steel:Rep. Michelle Steel is one of the first ever Korean-American women elected to serve in Congress. Born in South Korea, Rep. Steel lived in Japan before emigrating to the United States. Prior to being elected to Congress, she served a majority of the 48th congressional district as an Orange County Supervisor representing the residents of the Second District.

She previously served two terms on the State Board of Equalization as one of the state’s 12 constitutional officers- the nation’s only elected tax board - where she represented more than nine million residents, including all of Orange County. At the time, Steel was the highest-ranking Korean-American elected official in the United States. California’s 48th district includes Aliso Viejo, Costa Mesa, Fountain Valley, Huntington Beach, Laguna Beach, Laguna Niguel, Newport Beach, Seal Beach, the unincorporated area of Midway City, and portions of Garden Grove, Santa Ana, and Westminster. She has been married to her husband Shawn for 39 years. They have two daughters.
